Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your and your spouse's proposed trip to Ireland, scheduled for August 10 to 15, 2013, sponsored by the Ripon Society and the Franklin Center.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$350 from a single source on Schedule VII of your annual Financial Disclosure Statement.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act, gifts "of minimal value [currently \$350] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of \$350 received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

The Honorable Mike Kelly, Jr.

TRANSATLANTIC CAPITAL TO CAPITAL EXCHANGE
DUBLIN, IRELAND AUGUST 11-15, 2013

April 3, 2013

The Honorable Mike Kelly
U.S. House of Representatives
1519 Longworth House Office Building
Washington, DC 20515

Dear Representative Kelly;

We are writing to invite you and your spouse to participate in a policy conference that The Ripon Society and the Franklin Center are holding in **Dublin, Ireland, from August 11-15, 2013.** *8/10 night*

The policy conference is called the TransAtlantic Capital to Capital Exchange. The purpose of the policy conference is to look at some of the key issues impacting the U.S.-Ireland relationship.

These issues include the fact that over 700 U.S. companies now do business in Ireland. These companies employ 115,000 people and have over \$188 billion in foreign direct investment in the country. Perhaps just as significant, Ireland has a corporate tax rate of 12.5%, the lowest among OECD nations, while the U.S. has a 39% tax rate – the highest among OECD nations.

The conference will feature keynote addresses and panel discussions with Members of Congress, Irish government officials, diplomats from the surrounding region, and policy experts from both business and academia. As a leader in U.S. legislative policy and a longtime proponent of making sure the United States remains engaged around the world, we would be honored to have you participate in these policy discussions.

A preliminary conference agenda is enclosed for your review. We will ask you to be a speaker at one or more of the sessions. While your contributions to all sessions would be of great interest, we will work with your office to identify the specific topic(s) where you can best contribute to the discussion. There will be both keynotes and panel sessions where other policy experts will participate. Spouses are encouraged to attend these informative sessions as well as all events.
